

Family Violence roles: Women's Counsellor/Partner Contact Worker & Men's Behaviour Change Facilitator Full-time or Part-time Positions Available

Job Reference No: VAC0368

- **Positive team culture**
- **Learning and Development Opportunities**
- **Flexibility of working days/hours**

As one of the largest providers of family violence services in the Bayside region, we are seeking focussed, enthusiastic and experienced female workers to join our expanding Family Violence Program. The Star Health Family Violence Program has a strong focus on providing coordinated and holistic interventions through the provision of individual counselling and group programs to men, women and children. Star Health has a strong history of providing services in response to family violence and is committed to enhancing the safety of women and children.

We currently have opportunities available, providing:

- *Women's Counsellor and Partner Contact*
- *Men's Behaviour Change Program facilitation*

Both positions available, applications welcome for combined position, or only partner contact/counselling or only facilitator.

Please specify your preference in your application and address the relevant key selection criteria outlined in the position description.

- *Degree or Diploma in social work, psychology or other related qualification. Eligibility for membership of either AASW or other relevant professional association*
- *Sound understanding of the theory and practice of working with men who use violence towards women and children.*
- *Demonstrated understanding of the issues underpinning family violence and its effects on women and children*
- *Ability to undertake family violence assessments and respond to risk issues in order to address the safety and wellbeing of women and children.*

Who We Are

Star Health works in partnership with people and communities to promote and improve equity, health and wellbeing by delivering innovative client-directed services that take into account the context of the individual and the community, and championing prevention and change to address the structural reasons for health inequity.

Interested applicants must **address the key selection criteria with a covering letter** and complete our application form directly via our website <http://www.starhealth.org.au/careers/current-vacancies/>. For further information about this role, please contact Dave Godden on 03 8644 3354.

Closing Date: Wednesday 8th November 2017 @ 9am
