

Program Manager, Mental Health 1.0EFT Permanent

Job Reference No: VAC0535

- **5 weeks annual leave plus mthly ADO**
- **Positive team culture**
- **2 types of Salary Packaging Available**

An exciting opportunity exists for an enthusiastic and experienced Program Manager to lead the Star Health Mental Health Programs. The position is seeking to innovate and further develop a sustainable and quality mental health service which continues to meet consumer need in the primary health and rehabilitation contexts, given the changing mental health service landscape.

The position will be responsible for coordinators reporting directly to the role and will play an important part in strategically managing the team through a period of significant change. Ability to develop and deliver quality service models in the context of NDIS, state and primary health network funding is essential.

To be suitable for the role you will possess the following:

- **Well demonstrated positive leadership skills.**
- **In depth knowledge of the mental health sector.**
- **Degree in relevant clinical or management related area or equivalent experience.**
- **High level skills in diverse stakeholder management.**
- **Strong commitment to the social model of health.**
- **Excellent verbal and communication skills.**

Who We Are

Star Health works in partnership with people and communities to promote and improve equity, health and wellbeing by delivering innovative client-directed services that take into account the context of the individual and the community, and championing prevention and change to address the structural reasons for health inequity.

Applicants **must address the key selection criteria within the covering letter** and complete our application form directly via our website <http://www.starhealth.org.au/careers/current-vacancies/>

For further information about any of the roles, please contact Kent Burgess on 03 9525 1300 or email: kburgess@starhealth.org.au

Closing Date: Tuesday 29th January 2019 @ 9am
