Strategy, Policy & Advocacy Advisor
0.8-1 FTE

Job Reference No: **VAC0399**

- **Apply your creative mind to policy & strategy challenges in health & wellbeing**
- **Work to improve people's quality of life**
- **Positive team culture with great benefits**

Are you a policy and strategy fanatic who is looking for an environment where your creativity and skills will be valued, and make a difference? An opportunity exists to work with the CEO and Executive to shape Star Health's position in the sector and influence change for those who need it.

You will possess the following:

- **Public policy development experience and a sound understanding of health and wellbeing policy directions and Government operations**
- **Strong researching and writing skills. Able to build a convincing argument and present information clearly and concisely for diverse groups**
- **High level of interpersonal and facilitation skills, with the ability to effectively communicate to diverse audiences**
- **An interest in strategy development and strong project management skills**
- **A strong 'can do' attitude, with a commitment to delivering in the role**
- **High level of proficiency using the Microsoft Office suite (Word, Excel, PowerPoint)**

Who We Are

Star Health works in partnership with people and communities to promote and improve equity, health and wellbeing by delivering innovative client-directed services that take into account the context of the individual and the community, and championing prevention and change to address the structural reasons for health inequity.

Complete our application form directly via our website
