Star Health

Star Health is a provider of health and support services in Victoria. Encompassing six main and five satellite locations, over 300 staff work in multi-disciplinary teams to deliver health outcomes. It is a responsive and agile community health service, providing a wide range of healthcare and welfare services for all members of the community.

Star Health provides services spanning all periods of life including specialist childhood, youth and aged care services. In achieving its vision of **health and wellbeing for all**, Star Health is guided by our distinct service principles which include working with people and communities to achieve their health goals, understanding the context in which people live their lives, providing friendly, affordable, joined up services with a no wrong door approach.

Website Information: [http://www.starhealth.org.au/](http://www.starhealth.org.au)

Star Health offers a comprehensive and industry leading suite of Employee Benefits

See <https://www.starhealth.org.au/careers/employee-benefits/> for information

Purpose of Position

The purpose of this position is to provide high quality care coordination in a consumer directed care environment to older people who have been allocated a Home Care Package (HCP). This will include using:

- a consumer centred approach to implementing and monitoring care plans
- risk identification and harm minimisation assessment and practice
- the successful delivery of brokered services within the package budget.

Key Responsibilities

Specific to this role:

- Use a Consumer Directed Care (CDC) approach to develop, implement and review care plans and confirm service delivery that reflect on consumer goals and identify consumer needs
- Monitor care packages, reviewing and adjusting care plans as appropriate in consultation with consumers, carers and other relevant stakeholders
- Organise and monitor brokered services with contracted external providers
- Develop and manage HCP individualised budgets in line with current Commonwealth Government CDC guidelines and the consumers stated goal
- Monitor and maintain records of expenditure and ensure consumer plans align with budget allocations
- Work closely with Finance team with respect to consumer statements, budgets and financial queries
- Develop and maintain all documentation including referrals, assessments, care plans/reviews and service provision in line with Star Health requirements
- Participation in the collection and analysis of statistical data as required
- Provide services in compliance with all legislative and regulatory guidelines

Strategic / Organisational Initiatives:

- Continuous Quality Improvement - Identify continuous quality improvement opportunities and act upon when/where relevant. HCP documents all quality activities in Moving on Audits.
- Community Participation - To undertake active and meaningful community participation and engagement
- Professional Development - To attend and contribute to staff development and supervision programs; to attend relevant courses and mandatory in-house training; participate in peer review/practice
- Occupational Health & Safety - Ensure that work and services are provided in a safe manner at all times by regularly reviewing practices and environment; completing pre-visit and home visit environmental assessments for all consumer visits
- Performance Management Framework - Actively participate in an annual individual performance plan, which determines key responsibilities, strategies and performance indicators to enhance performance and service delivery
- Intellectual Property Policy – Star Health has an Intellectual Property Policy which staff are required to understand and comply; with
- Work in a way that is sensitive to the needs of the diverse needs of service users (specifically older people from culturally and linguistically diverse backgrounds or who identify as LGBTIQ+).

Key Capabilities

- **Communication:** The ability to present information clearly and persuasively and seek out the ideas and views of others. The capacity to adapt manner to a particular situation, while being consistently professional, concise and engaging.
- **Decision making:** The capacity to coordinate information from a variety of sources; identify, define, and analyse operational problems and situations and anticipate potential barriers. The ability to generate solutions to problems based on sound judgement and awareness of the potential implications of these solutions.

- **Teamwork:** The ability to collaborate with colleagues to seek solutions that are beneficial to all groups as well as forge successful teams among individuals with diverse perspectives and skills.
- **Behavioural Flexibility:** The capacity to makes decisions in sometimes ambiguous circumstances and adjust strategies and behaviours as new information becomes available and as priorities change.
- **Action Management:** Ensure the timely delivery of work and prioritise issues based on their importance and urgency.
- **Interpersonal Relations:** Understand the importance of fostering positive relationships with co-workers and relevant external organisations. Treat all stakeholders with dignity, respect and fairness.
- **Consumer Focus:** The ability to ensure quality service provision and duty of care for all consumers within their team.
